Subject: POS/PDI REQUEST - LOVE STORES

Dear Mark,

The shopping baskets that were supplied to Love Stores (5201-00-00) in February, 1996 are in need of replacement. We have discontinued this item and there is no inventory available. While Philip Morris does not have a contract with this chain, they have agreed to supply shopping baskets as a means to this end. David Cook advised me that we are currently making a special run of these units for another chain and that it would be possible (with your approval) to increase that run to accommodate Love Stores' needs. Attached is a "Special POS / PDI Request". I have requested 2 units per store plus 10 extra to meet future needs.

Please approve and forward to Don Fitzgerald. Thank you for your assistance in this matter.

Sincerely,  
Artie
